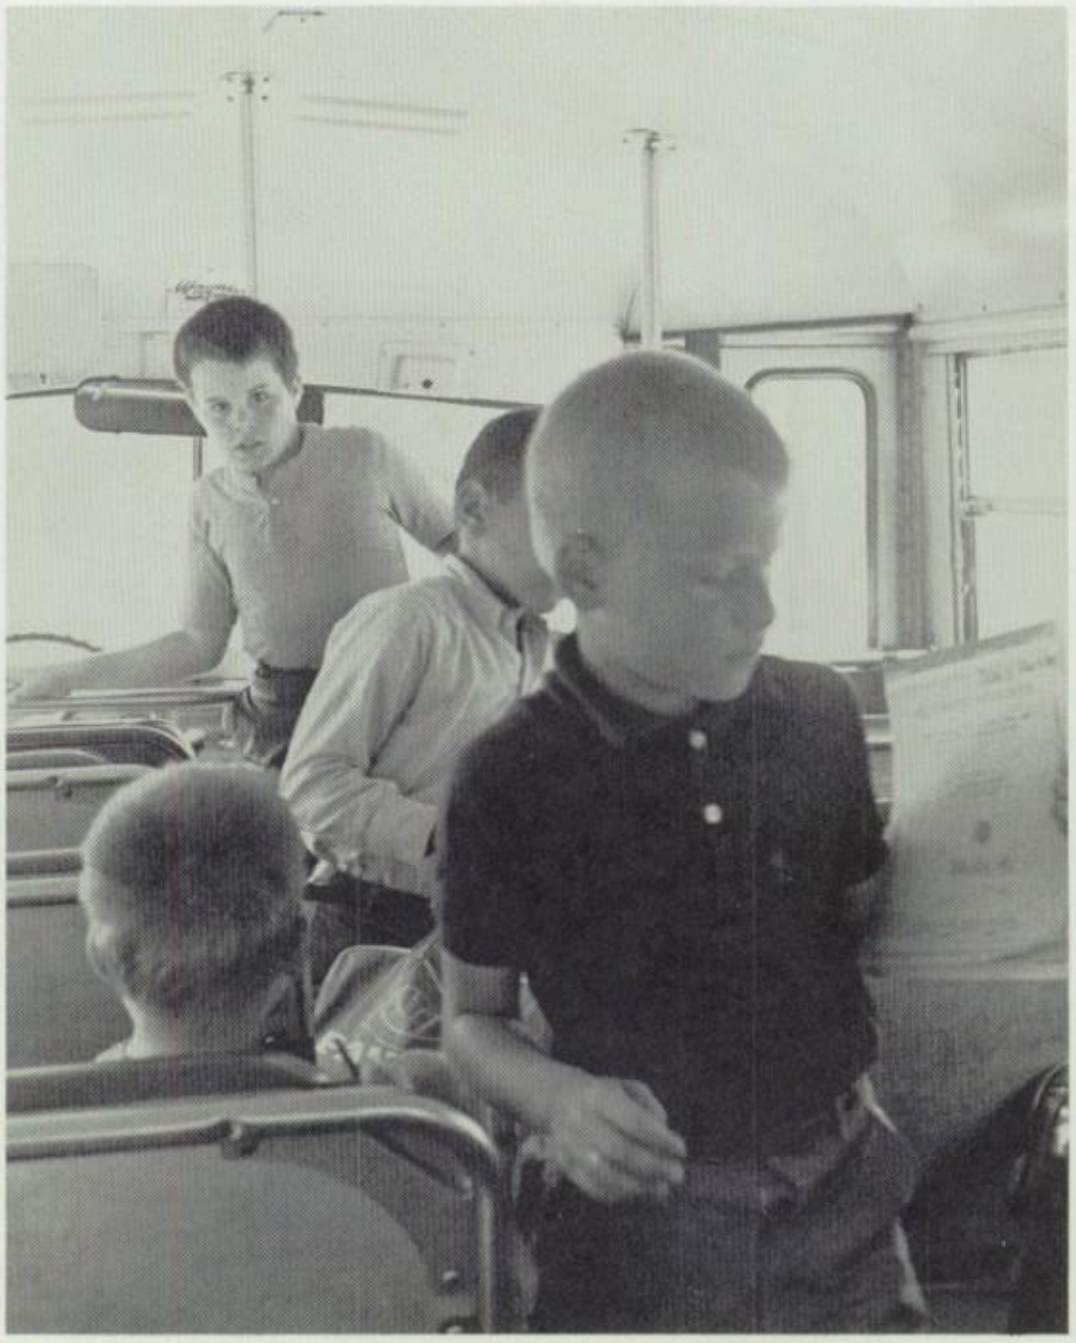
SPIRIT...

expressed in many ways...



developed through participation

and study.

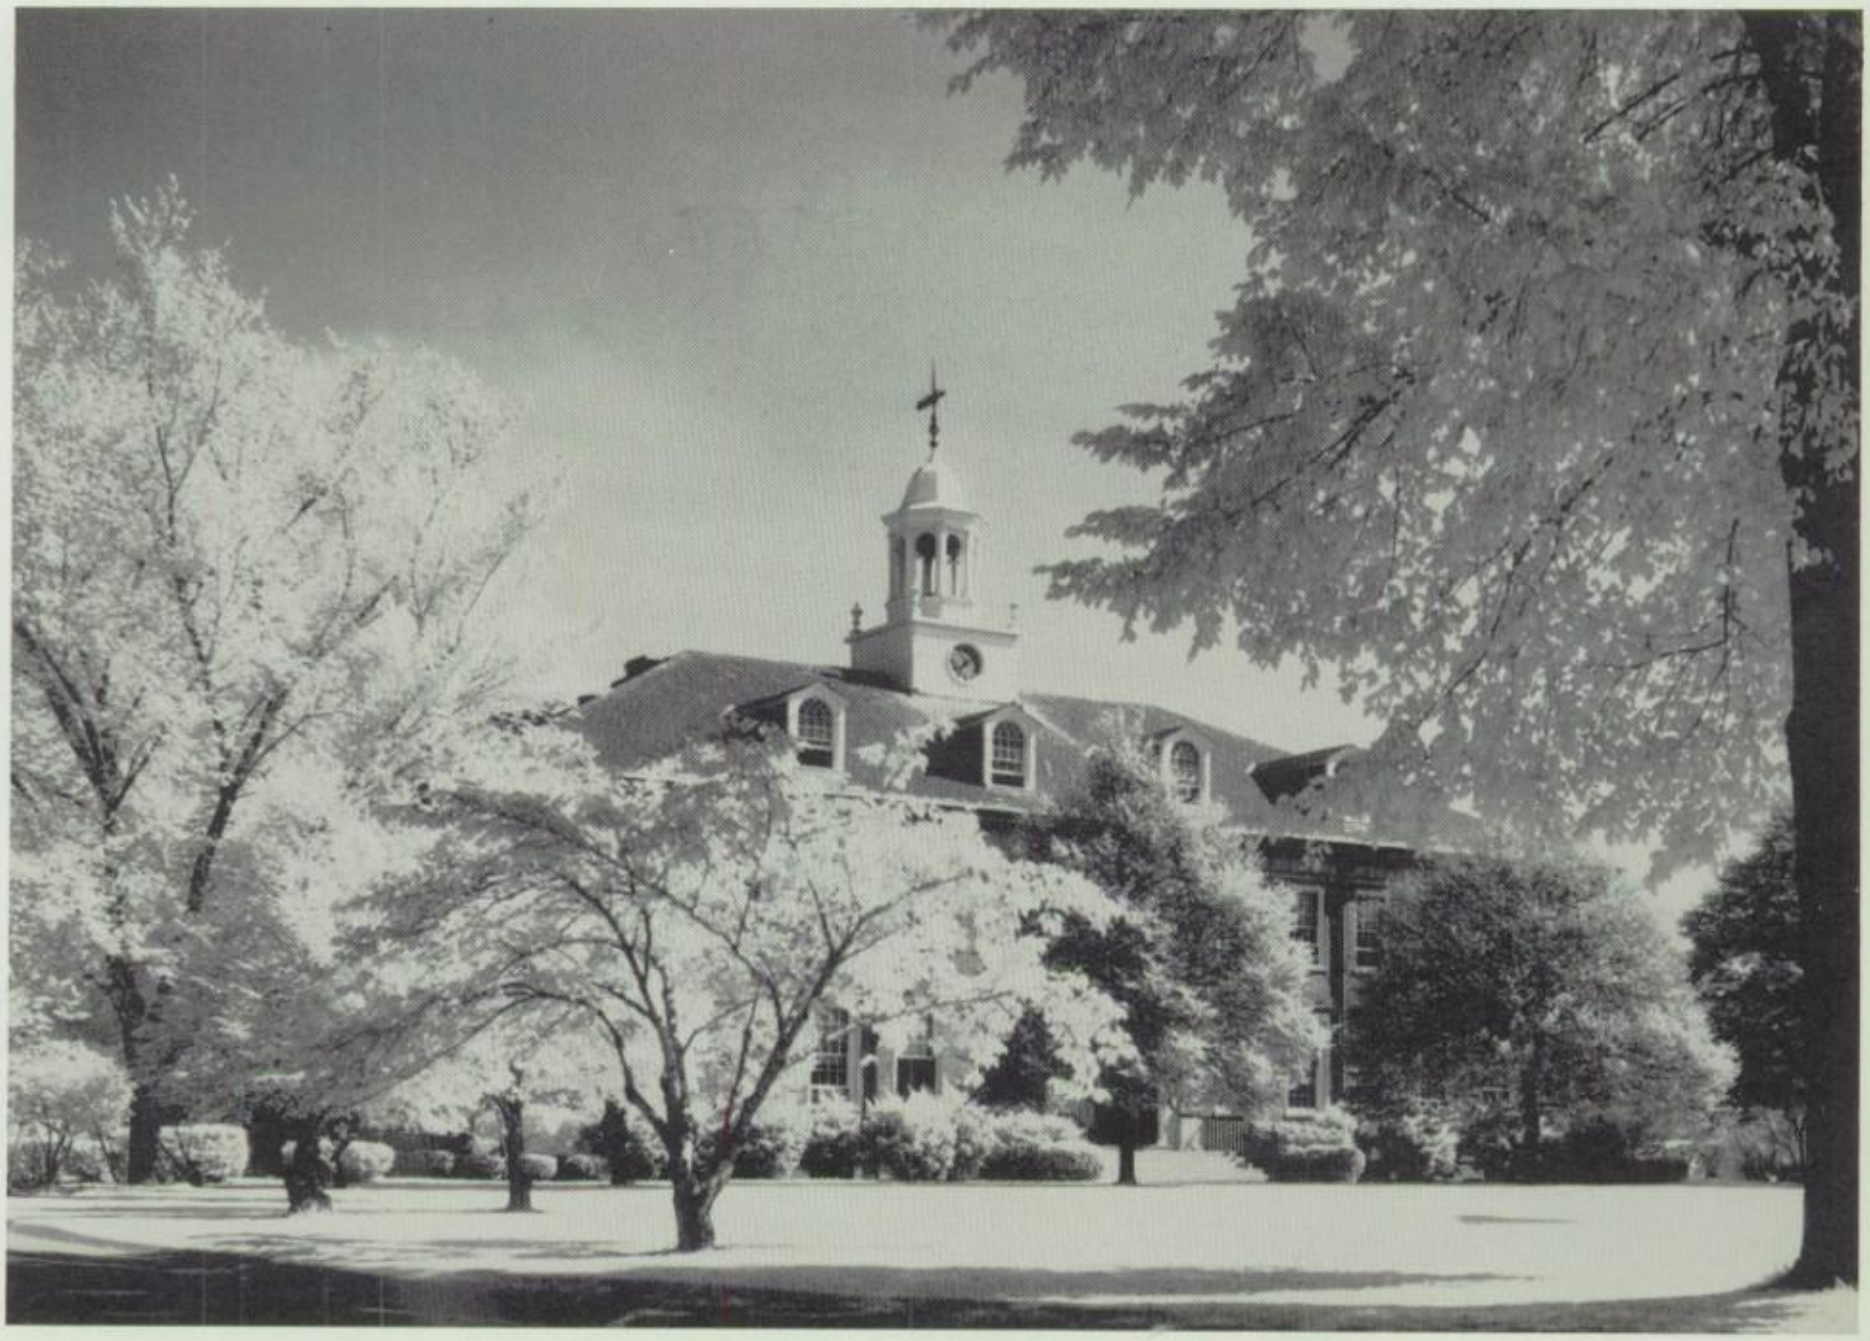
Projects keep

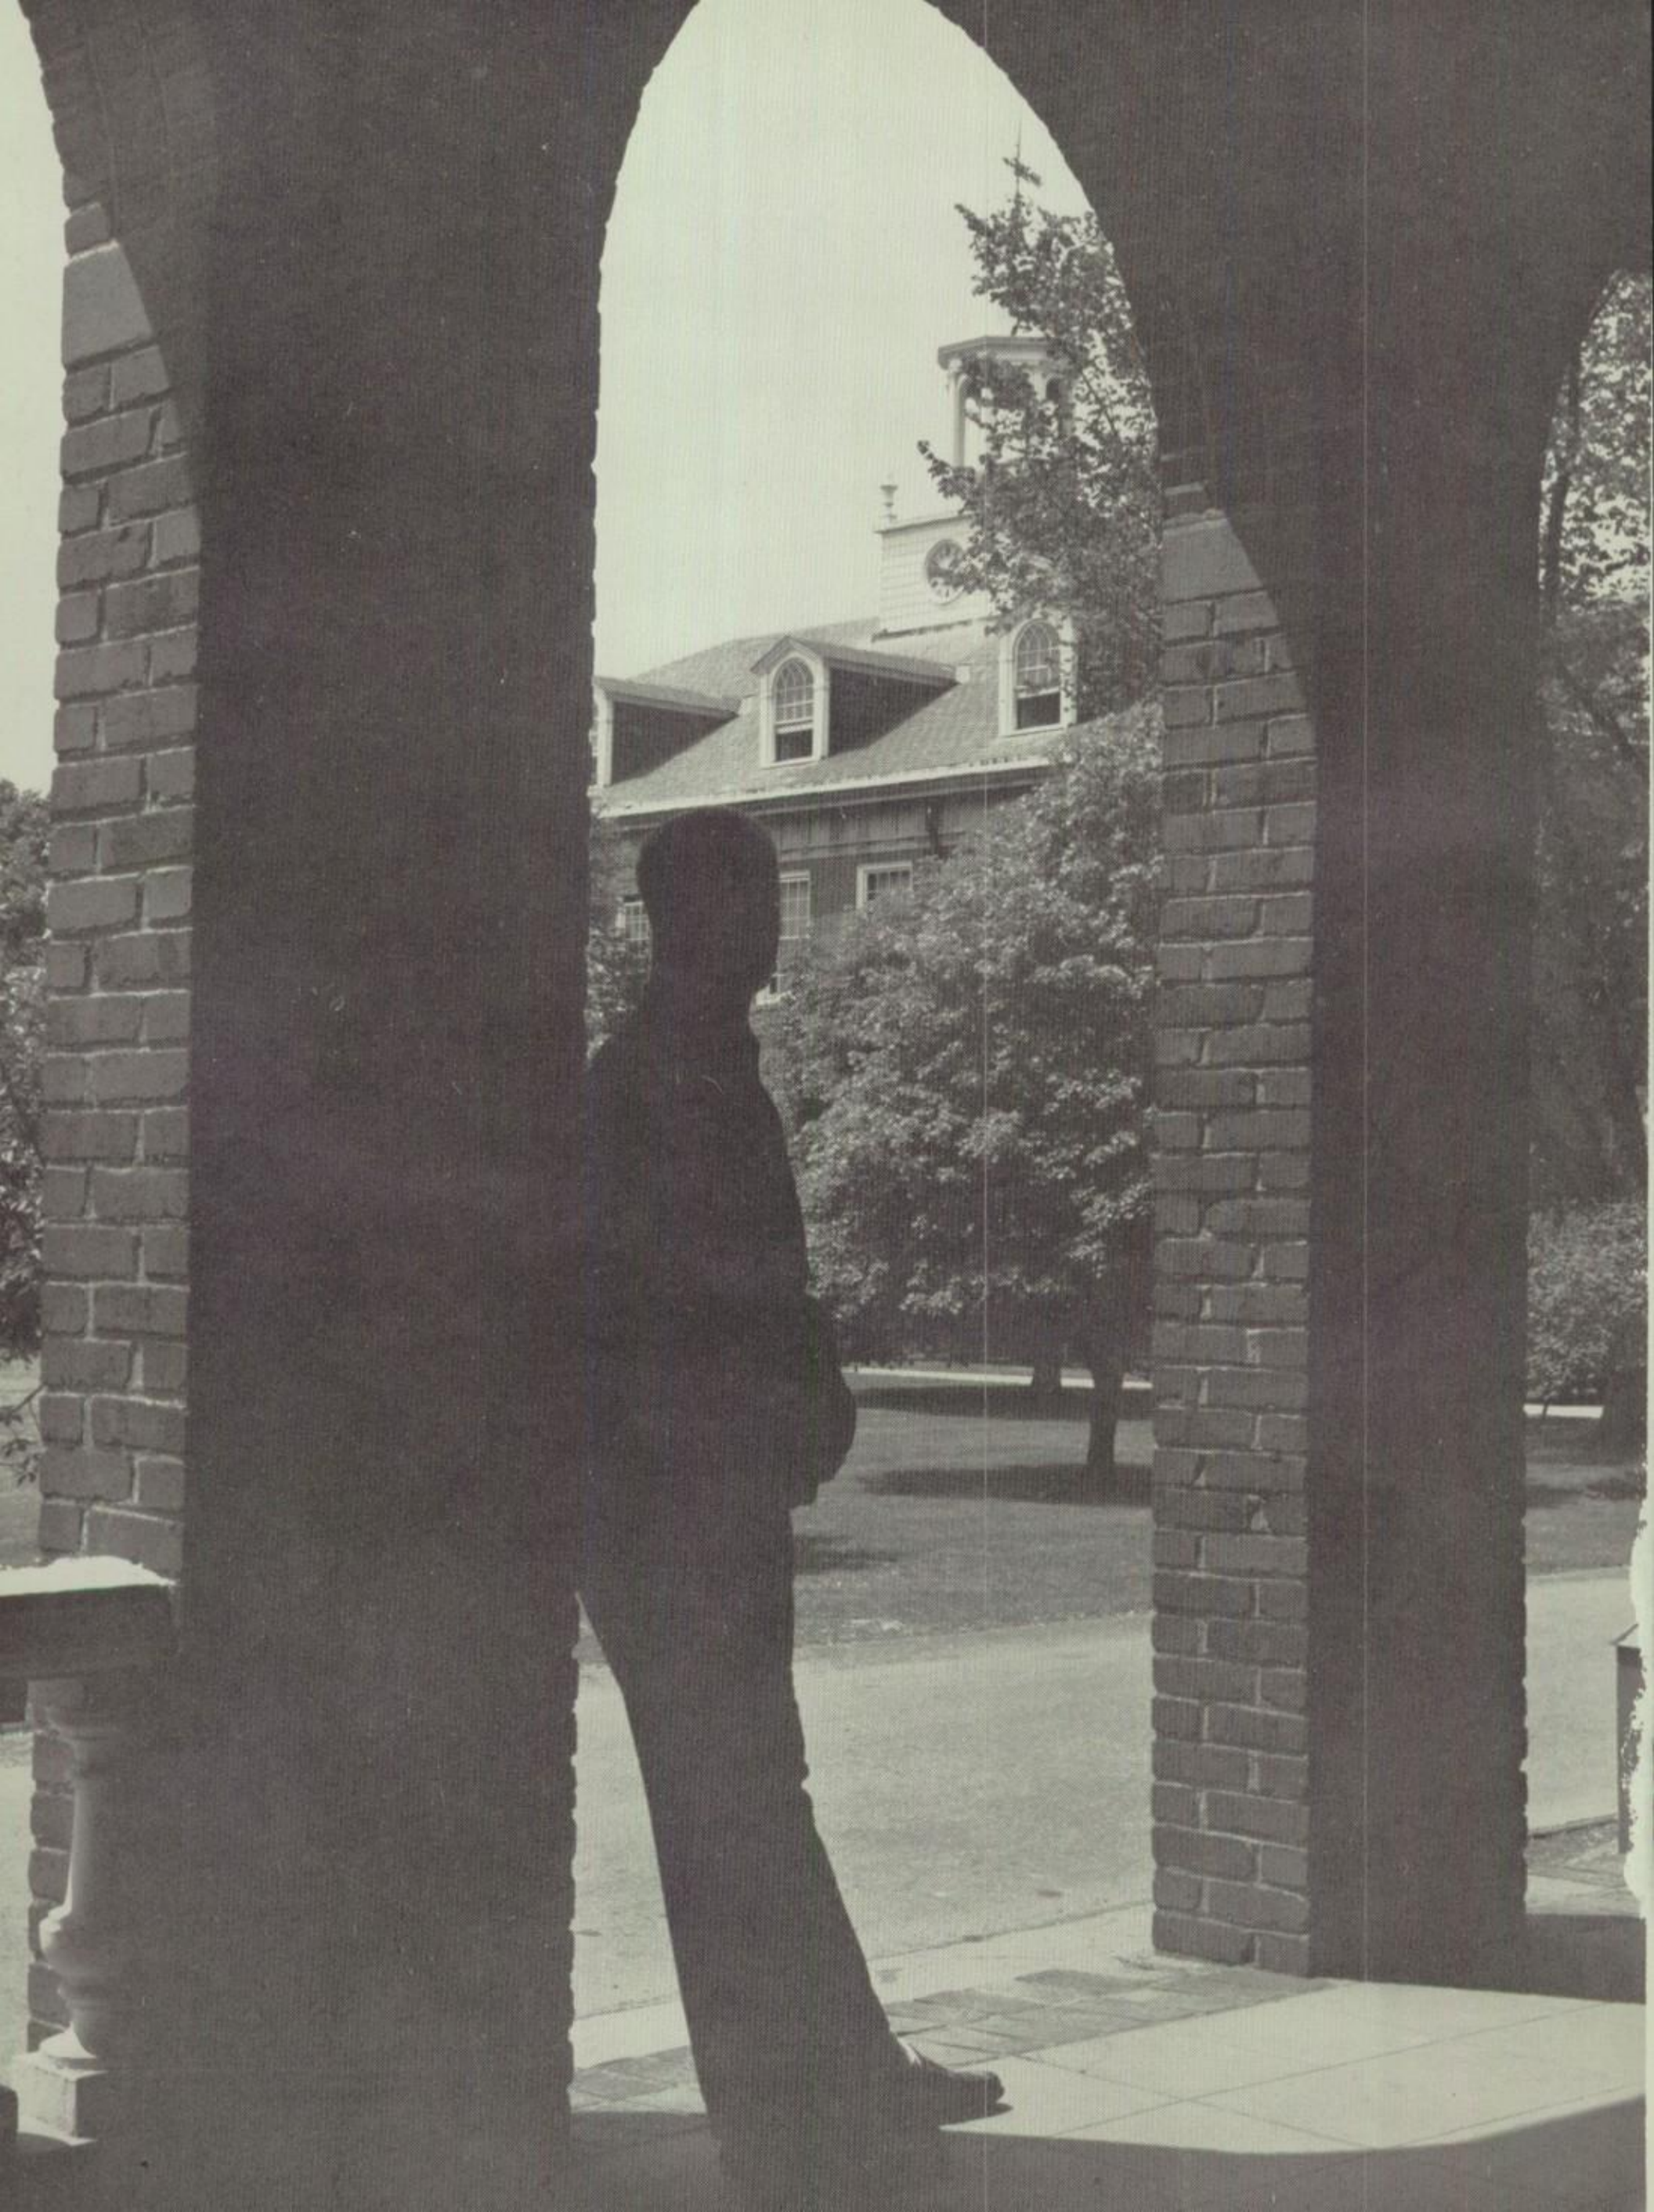
students at work

but there is

time to relax.

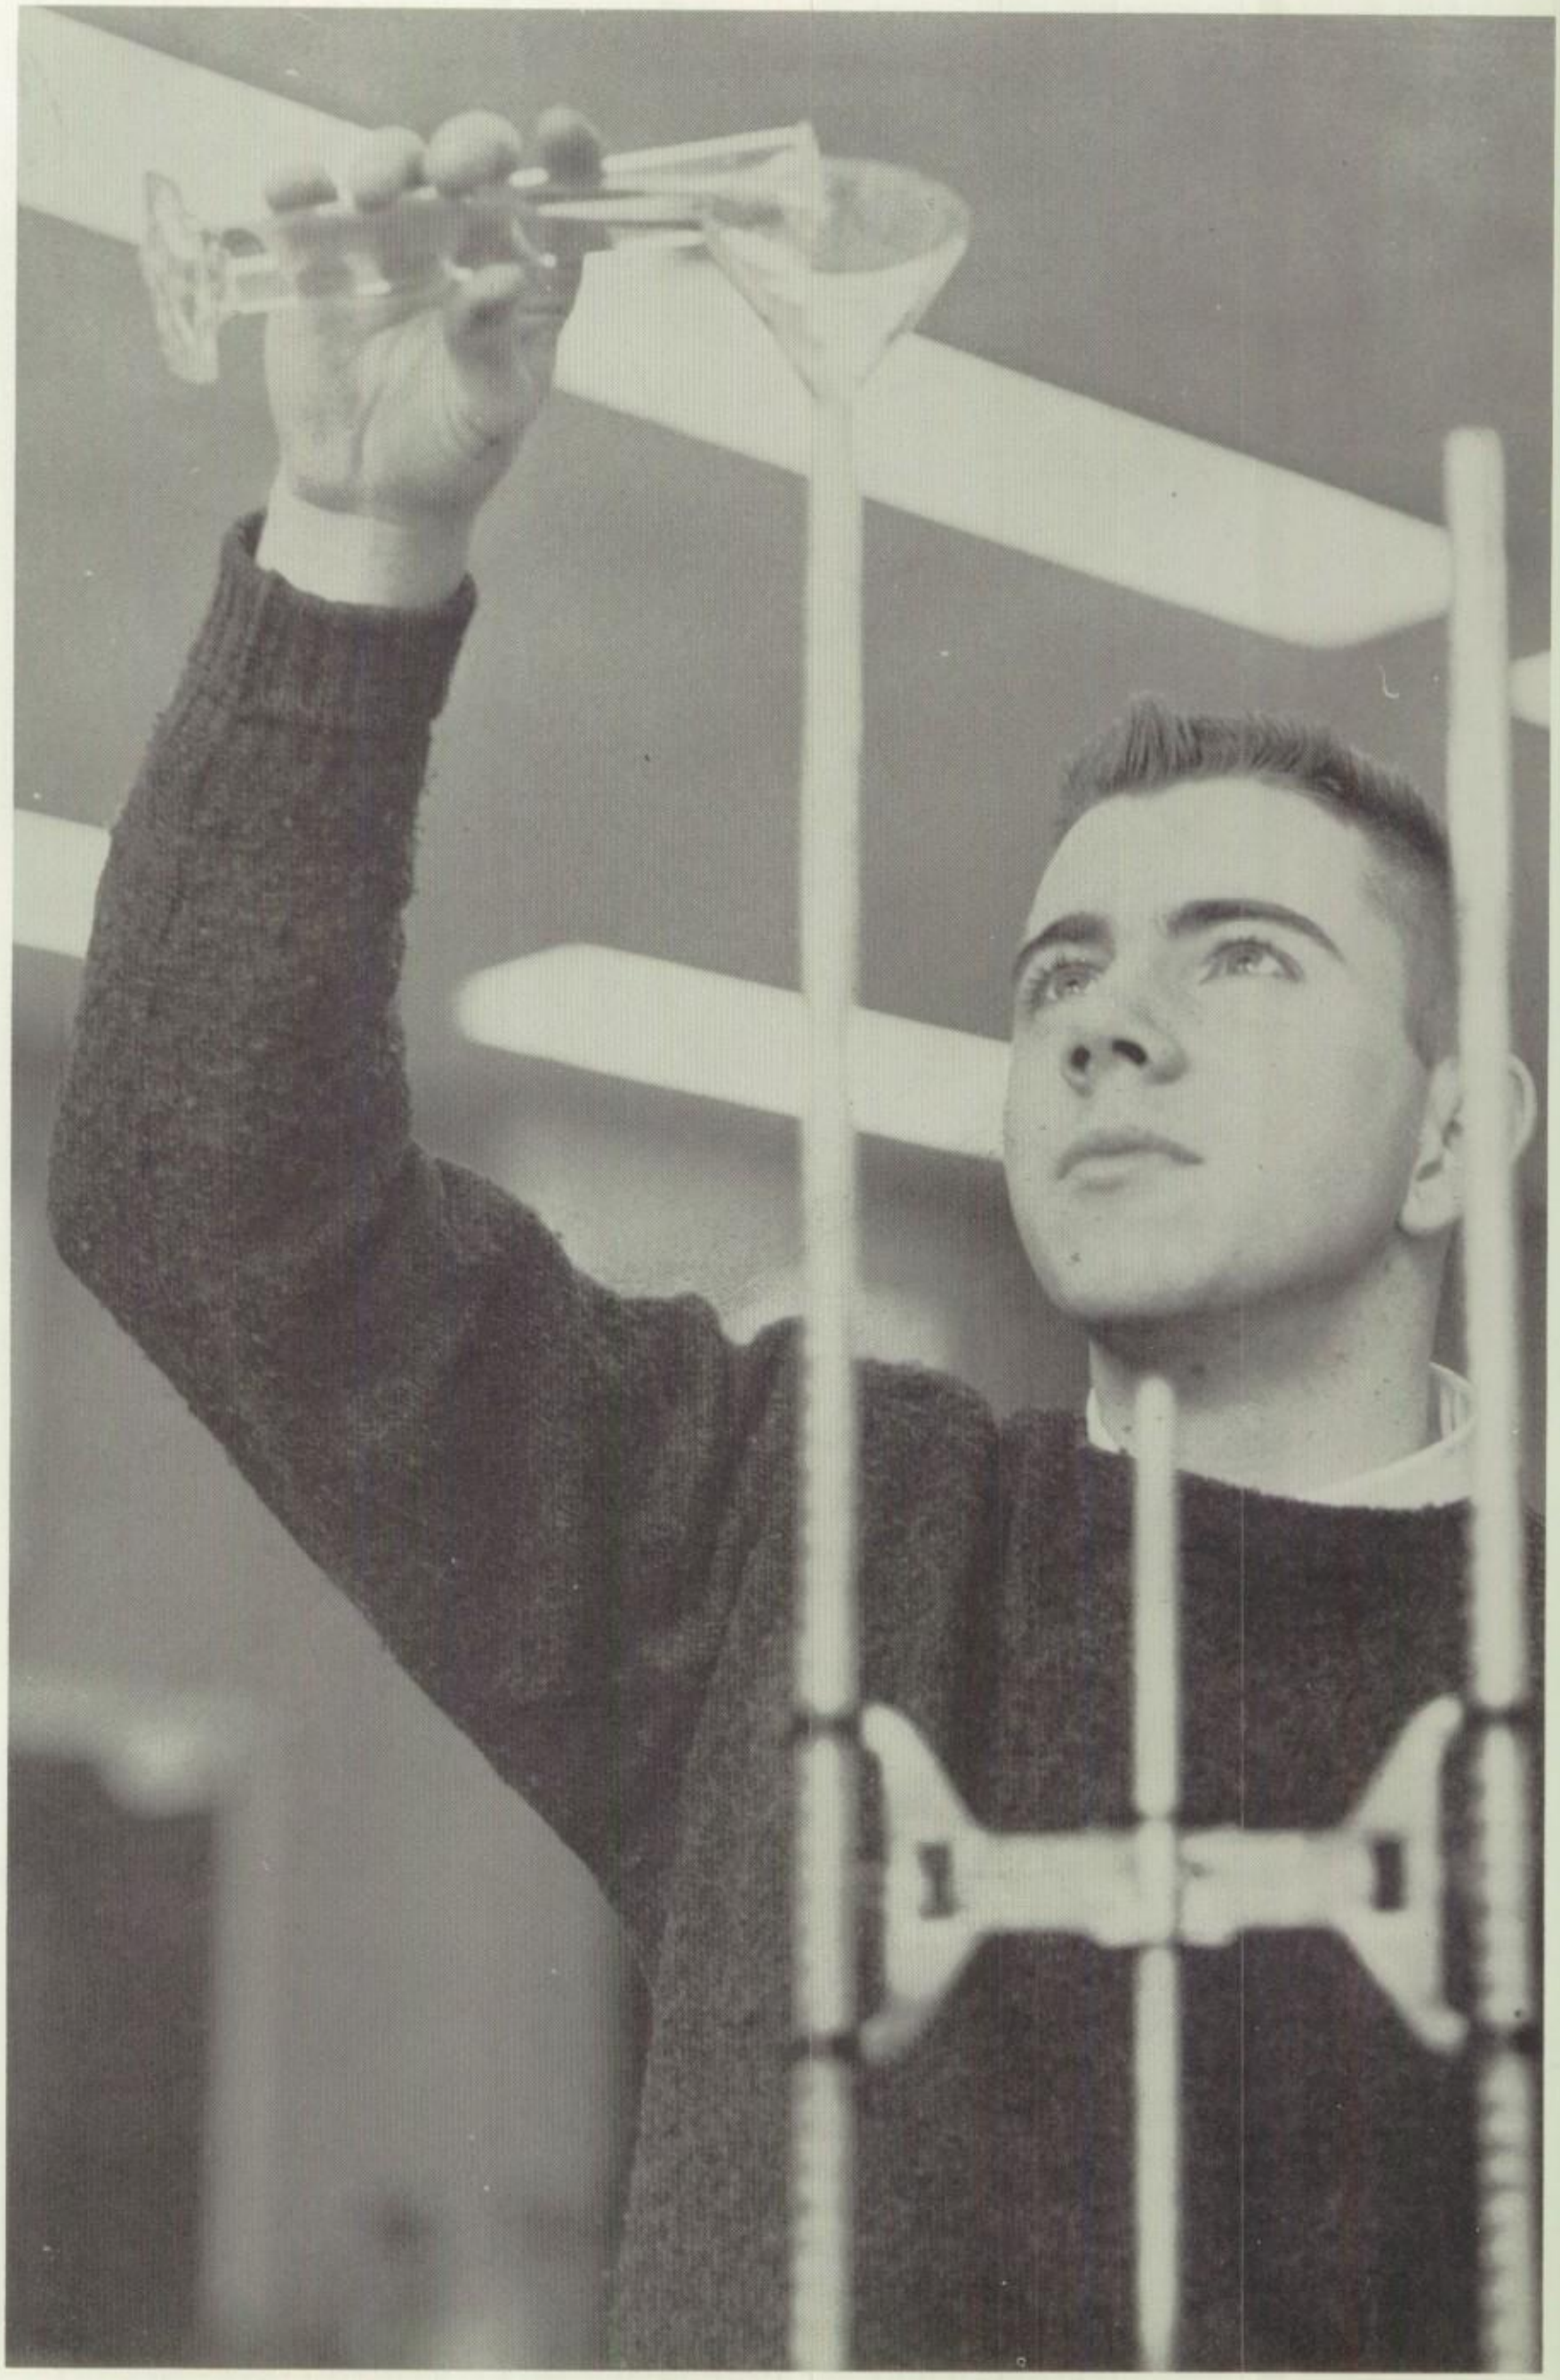
The quiet beauty of the campus...





reflected in the eyes of the students...

but still the confusion of crowds.



School traditions reflect

the foundation of the school...SPIRIT

SPIRIT...

sometimes shared,

sometimes personal,

but always there.

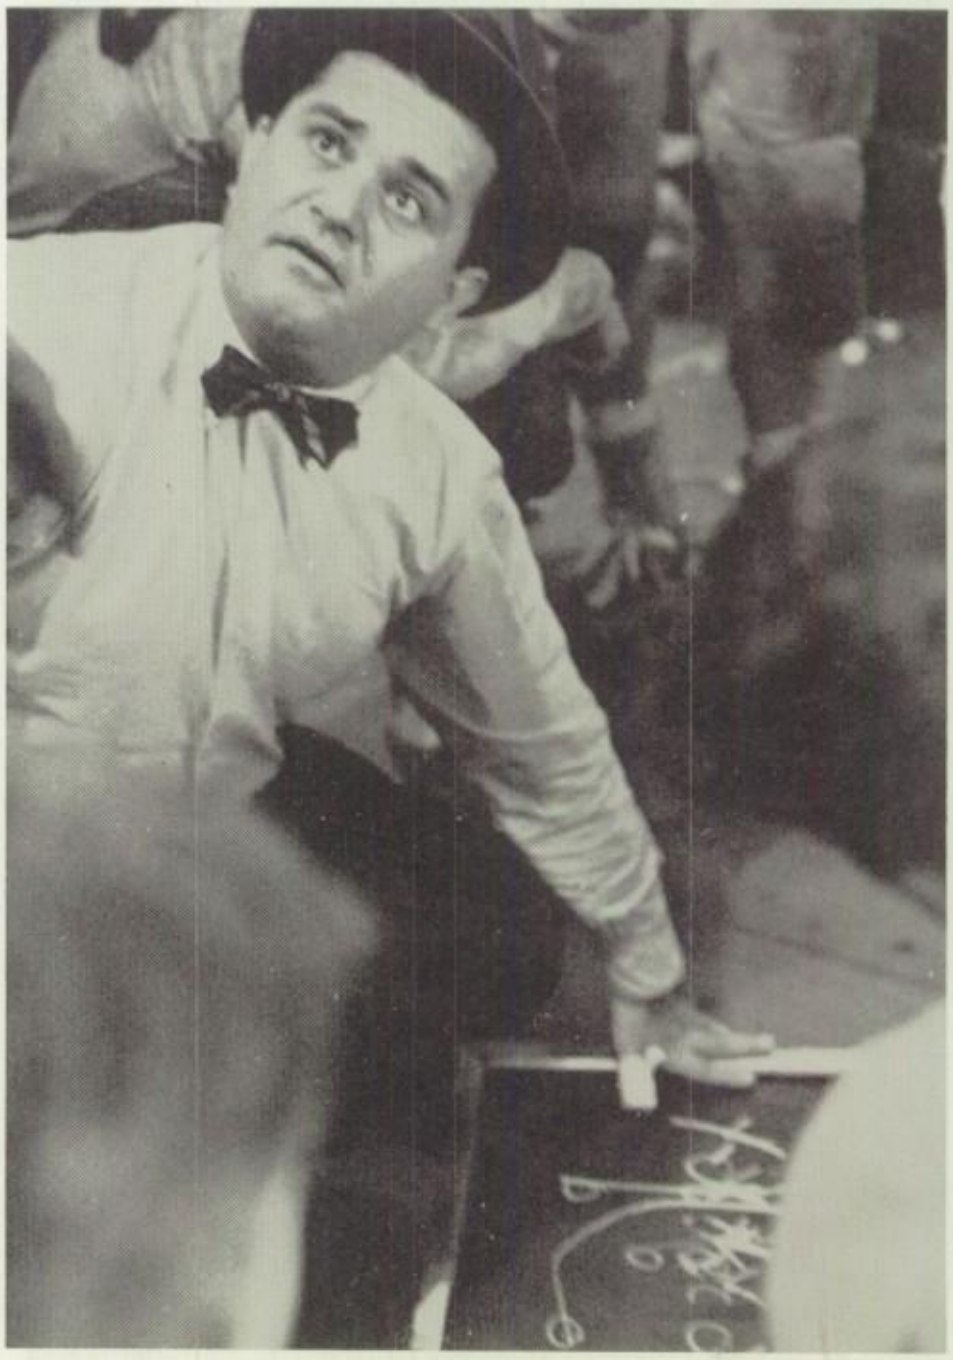
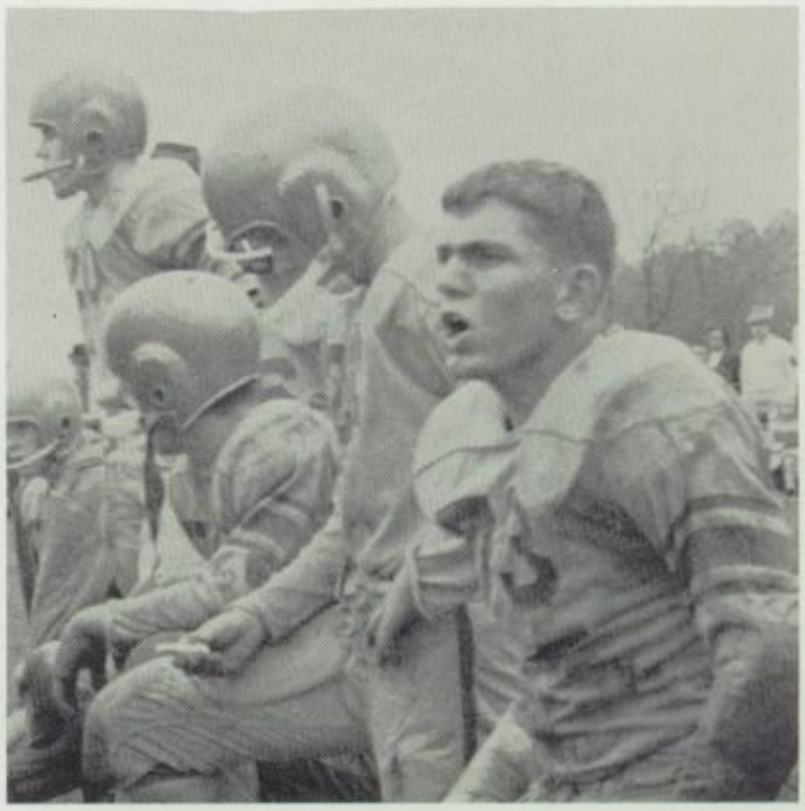
THE FACE OF FOOTBALL





The varsity football team's relatively poor 1-8 record this year is not a true indication of the squad's ability. Throughout the year, team spirit and will to win was high. However, costly injuries to key players along with bad breaks during the games hurt chances for victory. Despite the disappointment of the losses the team always rebounded and, led by co-captain Kirk Baird and co-captain and most valuable player Glenn Derby, worked for a possible win in the future.

As a result of the numerous injuries, many young players were able to gain game experience. The coaches feel that this experience will help next year's squad to a successful season.

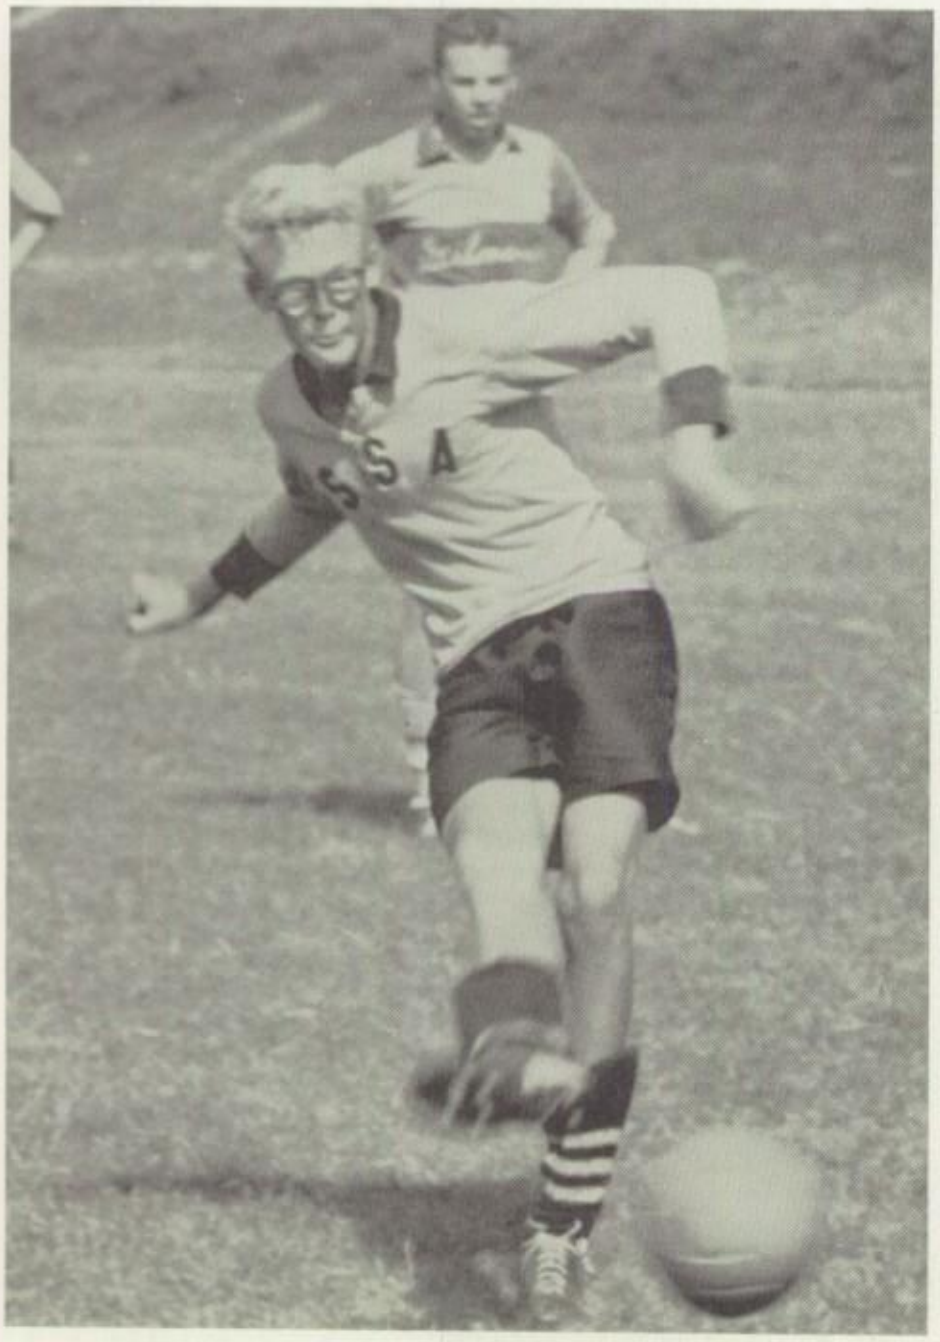
SOCCER



This year's varsity soccer team had a remarkably good 8-3-1 season in spite of the inexperience of its starting players. Team effort made up for this lack of experience and helped to produce a winning season. Every player contributed all his skill and desire toward a team victory. For example, most valuable player Don Stone did an outstanding job for the squad. Many young players helped the team and gained experience that will be valuable next year. The team was quite proud of its fine record under a new coach, Mr. Samuel Clark.

CROSS COUNTRY

Despite the cross country team's unimpressive 1-9 record, the season was quite successful. The squad recorded the only victory in cross country history at Shady Side. Besides this victory, the harriers came very close to winning many more meets. Outstanding performances by co-captains Succop and Hurtt sparked the team's effort. As a result of the squad's victory, this team will be remembered as a pioneer in Shady Side cross country.

WRESTLING

Under the leadership of captain Steve Clare, this year's varsity wrestling team was able to produce a successful season. Despite the 3-5 record, the team came close to winning almost every match. All the grapplers fought unceasingly in an effort to produce their victories. Coach Blake was very proud of his boys.

BASKETBALL

Functioning without the services of captain John Dickson for most of the season, the varsity basketball team was still able to compile a respectable 7-15 record. M.V.P. Kirk Baird was able to take up some of the slack made by Dickson's absence; however, all the victories resulted from team effort. A few sophomores obtained much experience on the varsity while also helping the team considerably. This year's varsity basketball team was a prime example of team play, and with many experienced players returning next year, Mr. Jones looks forward to a winning season.

BASEBALL

Anyone who has any contact with the sport knows that "baseball is a funny game." This adage definitely applies to this year's varsity baseball team. It was an exceptionally good squad, and yet it was only able to compile a 7-7 record. With any breaks at all, the record could easily have been 13-1. To cite Coach Thorpe's quotation on the University School game that can be applied to most of the losses, "we can beat them seven games out of ten, but today was one of the other three times."

The team record was respectable, however, and resulted from personal output that contributed to team effort. Exceptionally good hitting, fielding, and pitching were evident throughout the season. As expected, M.V.P. and Captain Kirk Baird led the team in hitting. To summarize the season, one would have to say that it was a good job.

TRACK

The varsity track team did a very commendable job over the season. A 4-3 record was compiled in dual meets and a fine showing was made in invitational tournaments. A surprising second place in the Interstate Track Meet culminated the season in a manner which illustrated the drive and spirit of the team. During the season many records fell. Martin Monk was the outstanding performer setting a new school record in the 440 and a new state record of 1:56.1 in the half mile. Co-captain Bill Hurtt and Glenn Derby also broke records. Mr. Jones was especially impressed with the effort and sacrifice of this outstanding team.

TENNIS

For the first season in some time the varsity tennis team compiled a very impressive (12-3-1) record. Excellent play by the veterans along with unusual help from new performers guided the team to its victories. A 2-2 record in the Interstate Prep League prevented a League championship. However, with most of the netmen returning next year, Mr. Gregory looks forward to another fine season with a possible League championship.

GOLF

The varsity golf team had an excellent set of players and was able to finish with a 7-4 record. Coach Abercrombie felt that with a few lucky bounces, the team would have been close to undefeated. Outstanding personal performances by all the players highlighted the season. All who were connected with the team were well satisfied with the season as a whole.

CLUBS

ACADEMIAN

To provide a break during the long weeks, the various clubs here at Shady Side meet every Wednesday afternoon during the winter term. The clubs vary in their activities from model railroading to listening to modern jazz. The year round activities such as the publications use this time to meet and get most of their work done. These clubs help to stimulate activities among the students and endeavor in projects that are a credit to the academy. (For a list of club members, see page 142).

BAYAR D

Providing a very important part of school life here at SSA are the dormitories. In these dorms the students get a taste of the college life they will experience later, and consequently are a bit better prepared for the coming university days. School spirit is also generated by the houses in the form of Spring Softball League. Along with the day students, the dorms form teams and vie for honors. Competition is keen and spirit is high in this league.

By their house dances, the dormitories contribute much to the social life of the school. Most students can attend and participate in this diversion from the academic grind. Life itself in the dormitories is something to be treasured. It is sometimes strict, sometimes riotous, but always an enjoyable part of school life. Built around these dorms are much tradition and spirit which helps to give Shady Side the college atmosphere it has.

NOW—is the time

for you to apply crushed and screened
blast furnace slag to your driveway

Either a light application
to level off the surface
or to cover the entire area.

or

A blacktop driveway is inexpensive and
will give years of carefree service.

It will enhance the appearance of your home.

Keep your valuable rugs and floors
free of grime.

Always insist that your contractor use
crushed and screened slag
as the aggregate in the mix.

A CALL TO US TODAY FOR SLAG
WILL GET DELIVERY TOMORROW.

EDITORIAL

Many people will realize that this year's ACADEMIAN is radically different from its predecessors. We believe that these changes will help our book to be one of the most interesting in the ACADEMIAN'S history.

Since we of the ACADEMIAN staff have felt a lack of school spirit over the year, we have departed from the norm in the hope of helping to build more spirit for the years to come. In fact, our book is dedicated to school spirit. It has been our aim to develop this theme on every page of our book. We have tried through the selection of pictures and lay-out of pages to give the book emotional as well as historical content.

Our format is informal portraying the relaxed attitude of the student body. The informal section in the front of the book establishes the theme and tells the development of spirit in the three schools of Shady Side Academy. Our pictures have been chosen to emphasize the various areas of school spirit.

We hope that we have showed the need for spirit at Shady Side and that future students will exhibit this spirit in all aspects of school life.

1962 ACADEMIAN STAFF

Richard L. Dunn '62	Editor-in-Chief
